BOOKING CONDITIONS

15. Irish Cycling Safaris LTD (The Company) accepts bookings subject to the following conditions:

- **Passports & Visas**

Clients must be in possession of a valid passport and are responsible for arranging any visa required for the whole of their journey. Information about these matters or related items (climate, clothing, baggage, personal gear etc) is given in good faith but without responsibility on the Company. Clients with a European passport will not need a visa and it is the responsibility of any other passport holders to check with their embassy.

- **Insurance & Cancellation Insurance**

Travel insurance is mandatory for all clients whilst on a tour organised by the Company. Clients together with their personal property including baggage are at all times solely at their own risk. Clients are wholly responsible for arranging their own insurance. Clients are responsible for ensuring that they are in possession of private travel insurance with protection for the full duration of the tour in respect of at least medical expenses, injury, death, repatriation, cancellation and curtailment, with adequate cover. Clients should ensure that there are no exclusion clauses limiting protection for the type of activities included in their tour.

Clients should satisfy themselves that any travel insurance arranged is what they require and should arrange supplementary insurance if needs be. Clients will be deemed to have read the insurance cover.

- **Itinerary**

While we endeavour to follow our itinerary there may be exceptional circumstances when this is not possible. We reserve the right to cancel or modify the itinerary as necessary. Due to the nature of the trip arrangements have to be planned well in advance, so changes may have to be made and the Company reserves the right to do this. Should a material change be necessary the Company will inform you as soon as reasonably possible. A material change includes, for example, a significant change of destination or route time by more than 12 hours.

- **Medical Form**

Prior to the event you will be asked to complete a medical questionnaire. If you are over 60 years of age or if you have any medical condition that could be adversely affected by exercise, particularly a heart condition or asthma, you must provide the Company with a medical certificate from your doctor. By signing this form you are confirming that, to the best of your knowledge, your general state of health is good and that you take full responsibility for your health and personal well-being. All medical forms will be independently reviewed by a doctor prior to departure.

- **Minimum Age**

Participants must be over the age of 18 on the day of departure. The Company reserves the right to refuse participation to anyone at any time without having to disclose the reason.

- Challenge Participation

We accept your booking on the understanding that you realise the hazards involved in this type of tour, including injury or death, disease, loss or damage to property, and that you come on the tour at your own risk.

We accept no liability for any injury resulting from the hazards of cycling or any other activity included in the itinerary, or for any other mishaps to yourself or your property, and in particular as a consequence of strikes, wars, riots, sickness or other such happenings. Any independent travel arrangements that you make are also at your own risk. While on the cycle, illegal behaviour or conduct considered unsuitable will not be tolerated and could result in the participant being asked to leave the cycle with no refund. The decision to participate in the cycle or parts therein lies with each individual.

- Equipment

Clients taking their own equipment on tour are responsible for any charges for transportation levied by the transport provider including excess baggage. You must wear a helmet on this trip. Clients are responsible for ensuring that their bike is in a suitable condition for participation in a cycle of this nature. The Company will endeavour to accommodate clients, but cannot guarantee that correct tools and spares will be available. Clients will be expected to pay for any spares they require during the trip.

- **If you have a complaint**

Should you have a complaint about any of the tour arrangements, you must tell both the relevant supplier and the Company's representative whilst on the trip or within 14 days of the end of the Event. It is only if the Company and the relevant supplier know about problems that there will be the opportunity to put things right.

- **Delays**

The timings of road, ferry or flight departures are estimates only. We cannot accept liability for any delay in your travel arrangements from or to Ireland whether the cancellation or delay is caused by adverse weather conditions, rescheduling by a transport provider, port authority, mechanical break-down or industrial action. Where long delays result in lost challenge time, no refunds are given by hotels or suppliers. Similarly, transport providers do not offer compensation for delays. It is in recognition of the above that the Company's travel insurance policy offers some monetary compensation for delays over 12 hours to cover lost time or delayed return. [Ground arrangements are fully insured through Irish Cycling Safaris Ltd.]
